

“No Child Left Behind” A Light for All Uganda Programme

A Light for All (L4A) is a Uganda-based Non-Governmental Organisation enabling access to education for Burundian children and young refugees in Uganda.

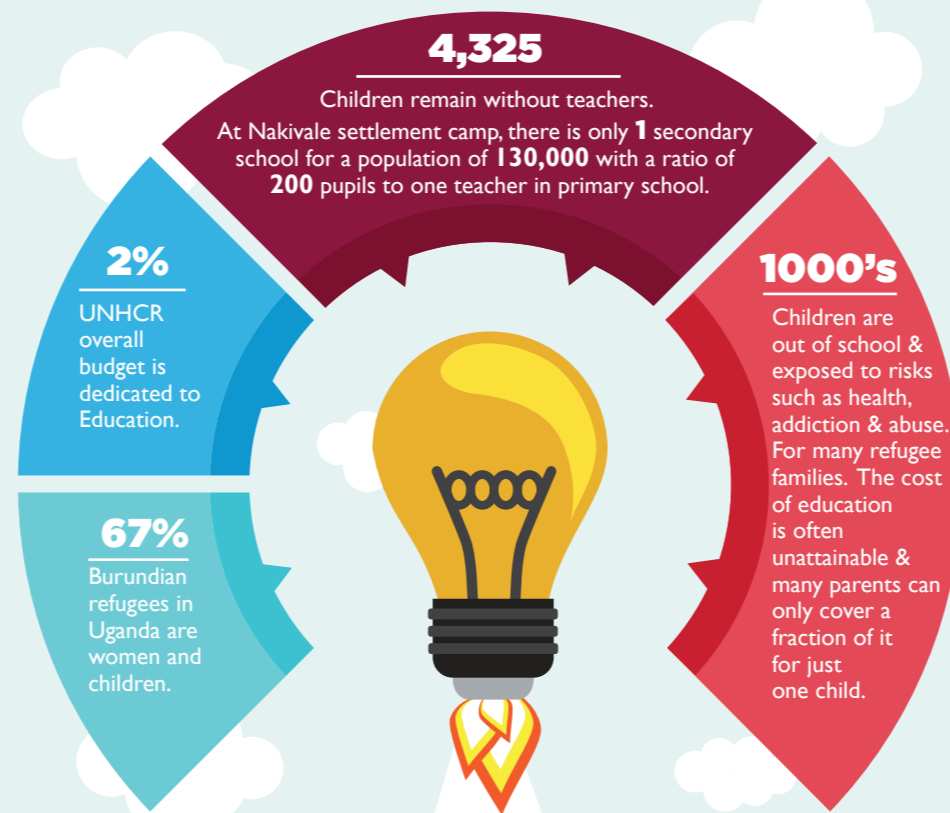

Burundian Refugees in Uganda

According to UNHCR Uganda hosts almost **50,000** Burundian refugees who fled their homes in extremely traumatic circumstances.

The majority of these refugees are out of school youth.

If no action is taken to ensure their access to primary and secondary education, they will become a lost generation.

Educational Challenges

Since 2017, thanks to the generous support from the Burundian diaspora, L4AU has managed to ensure the enrolment of **50** children and young people.

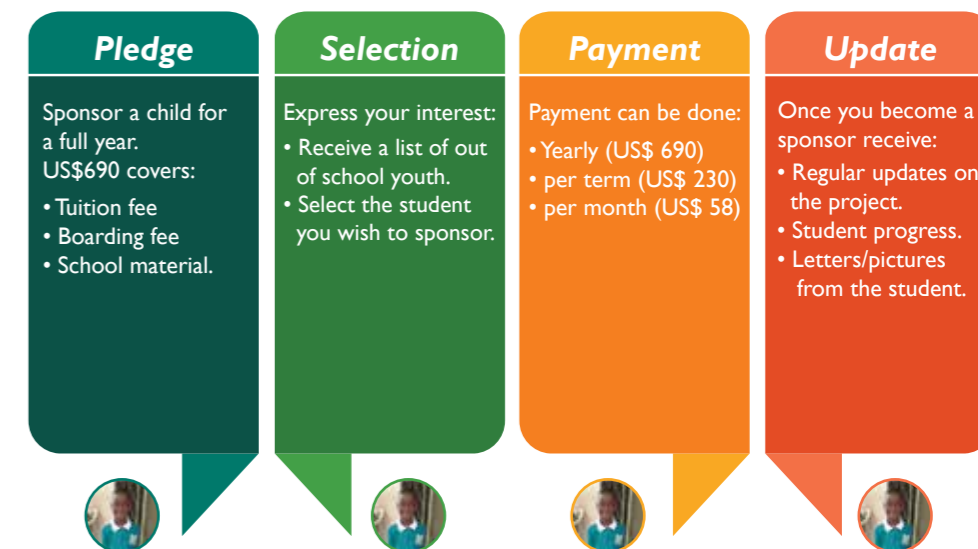

L4AU is seeking essential financial contributions for hundreds of children, whose lives are put on hold for lack of satisfaction of their basic human rights, including education.

Our Goals

- * Despite living in two seemingly unconnected worlds, we strongly believe that what unites a refugee and his/her potential sponsor outweighs what separates them.
- * Contribute to a more humane society by bringing these two groups together.
- * Build a better future for those who continue to suffer the traumas of war.

By focusing on education, L4A upholds the values of love and compassion, while also providing alternatives to greed, division, hatred and violence.
